

GENDER EQUITY & RECONCILIATION-WORKSHOPS

WORKSHOP-INFORMATIONS FOR WORKSHOP 1 (in English)

15th till 18th of June 2023

For more than 30 years, this unique, international program has enabled profound healing of the gender wounds in the human family, many of which have been inflicted over generations. Based in spiritual practices and principles, this program brings together men and women in a deeply relational and life-giving process of mutual truth-telling and healing.
